5. TSI information:

TSI plan for EL students:

- Increased aide time for grades 3-4
- Imagine Learning 45 minutes weekly grades 2-6 (including some time before school)
- Schoolwide goals for more opportunities to respond using grade level academic vocabulary.
- Professional development on using academic vocabulary in speaking and writing
- Smaller, more targeted groups for EL students
- Reading Coach/interventionist to work with struggling EL readers in K-6
- Increased focus on using data for EL students through PLC meetings
- Increased communication between Classroom Teachers and EL teachers
- Increased focus on using Benchmark assessments to inform instruction for EL students.
- Increased focus on using BEST PRACTICES in the classroom as defined by John Hattie.

6. Median Growth Percentile for WTE- Reading Plan. 40-60% is the goal. 40% and above equals one year of growth.

Washington Terrace	45	39	45

*Strategy- look at the data and remediate

7. Reading Plan: District goal is to move from 66% - 70% increase in accuracy.

First Grade: 76% - 84% (8%) = 6 students

Second Grade: 63% - 66% (3%) = 2 students

Third Grade: 69% -74% (5%) = 4 students

8. Cheri follow up on cameras for the large lab. Cameras are \$17.99 at Best Buy and Amazon. Estimated cost \$200.00. Discussion followed about writing and typing. Cameras would be used for K-1 students and second graders at the beginning of the year.

Feedback on 1 to 1 chrome books for grades 2-6. JeNae stated it would be nice to have a set of chrome books to use when she can. Concern was expressed about use. They are not for free time to just play. They are to supplement instruction, not replace it.

Kristen Peer motioned to adjourn the meeting. Heather Spring seconded, meeting adjourned.
