<b>Washington Terrace Elementary Student Cell Phone Use Procedures</b>				
<p>Cell phones shouldn't be used, seen or heard during school hours.                      Washington Terrace Elementary is not responsible for lost/stolen cell phones, gaming devices, i-pods,i-pads, etc.                      Cell phones must remain turned off during school hours except in the case of an emergency(ie:school lockdown).                      Phones will not be allowed outside at lunch, recess, or before and after school.                      If students do not adhere to the policy the phone will be taken away immediately and locked in the office and a parent must come to the office to collect the phone.                      More than one infraction of cell phone use may include asking the student to not bring the cell phone on school grounds for the remainder of the year.</p>
