

Additional Information

“Federal regulations require that schools be inspected for the presence of asbestos, a toxic material that has been used in the construction industry for a number of years. This school has been inspected for asbestos containing materials and the results of the inspection are contained in the Asbestos Management Plan. The Asbestos Management Plan is available for you to preview at this school, the District Office, or a copy of the plan will be provided to you for the cost of reproduction.”

Visitors to the School

For the safety of the children, Utah State Law and Weber School District policy requires that all visitors report to the office when they enter the school. Parents are welcome at school. We hope you will visit, eat lunch and volunteer in support of your children's education. Please check in the office first and wear a visitor badge.
