

Washington Terrace Elementary
PTA Meeting Minutes
Tuesday, November 7, 2017

Present: Stephanie Okey, Shae Stanger, Elna Jensen, Leah Ohlin, Hollie Estes, Wendy Petersen, Brandie Johnston and Katie Amsden

Title I Info: The Title I plan needs to be to the district office by 20 November. Changes to the plan include: taking out core phonics, adding Imagine Learning to grades K-2 which the district has a grant for licenses, ALEX math for grades 3, 5, 6 and Ten Marks math and writing for grade 4. For the coming school year Title I plan will continue to need input from a team of parents, administrators, and teachers. This summer Mrs. Amsden plans to have a planning meeting to define specific goals based on research from the data gathered from previous years. Plan needs to be tied to assessment, data, state standards. Title I funding is contingent upon district and state allocations. Washington Terrace Elementary has several teachers paid from Title I funding. Parent nights for the coming year will also include different a format for parents and students. Mrs. Amsden is sending some teachers to a phonics training to ensure all students grades K, 1, and 2 have a better phonics base. We have noticed our students are struggling in that area. She wants all students at Washington Terrace to be proficient in phonics and reading.

Family Skate Night: Friday Nov 10 needs to be paid at time of party.

Fundraiser: We have set aside \$400 for prizes. \$79 of which has already been spent on supplies. If we need more money for prizes we have been under budget on Red Ribbon Week and parties so far. Also only 5 teachers have turned in receipts to PTA of money gifted at the first of the year. Each teacher was given \$75 for supplies and those teachers without a home room were given \$50. As per Katie's request, any teacher not joining PTA will only be gifted \$12.50 toward supplies.

- We hope to make between 10 and 13 thousand dollars with this fundraiser.
- Stephanie will make the permission slips for the assembly on Monday.
- Every morning we will have an all call for fundraising money and more bags of suckers to be given out.

Prizes:

1 bag – random small toy

2 bags – spin wheel with the following prizes: 2 Liter bottle of soda, big bag of Takis, Rubiks Cube, Lego mini figure, Frisbee and Spinner's choice
